Employee Success Story

Kelsey Price, Office Manager

Kelsey Price is from De Forest, WI. The oldest of three children, Kelsey grew up playing a lot of sports that kept her family very busy and took them all over the Midwest. After graduating from high school, she went to MATC and received an associate degree in business management. After college, Kelsey worked for her uncle's structured cabling company for a few years before she landed in IT consulting in 2011.

Favorite Project:

Kelsey has been Beacon's Office Manager since 2017. She works in the back office doing various jobs and tasks, but her main responsibility is handling onboarding. Kelsey enjoys onboarding because she gets to meet every new hire at Beacon. Kelsey will be celebrating her 7-year anniversary with Beacon this May and 13 years overall in the IT staffing industry.

Family:

Kesley and her husband have 3 kids: Jordan 11, Emmitt 9 and Beck 2. They moved to Columbus, WI a year ago and enjoy it very much. When her kids aren't keeping them busy with sports, they like playing games, grilling out and going up north every summer for vacation.

Hobbies/Interests:

Kelsey loves golfing with friends and family, as well as watching a good crime show/movie with a glass of wine.

Interesting Fact:

Kelsey's great grandma was Bud Selig's secretary back when he owned the Milwaukee Brewers and car dealerships in Milwaukee. Her family has grown up going to a lot of Brewer games, and they have some very cool memorabilia.
